WHAT IS NETWORKING

The image shows a sequence of three screenshots from the TryHackMe website, illustrating the 'What is Networking?' room.

Top Screenshot: A browser window showing the TryHackMe homepage with a list of rooms. The 'What is Networking?' room is highlighted, showing its difficulty level as 'Easy' and a 'Room' button.

Middle Screenshot: A browser window showing the 'What is Networking?' room details. The room is titled 'What is Networking?' and is described as a 'bite-sized and interactive module'. It has a duration of 30 minutes and a 'Join Room' button.

Bottom Screenshot: A browser window showing the 'What is Networking?' room completion progress. The room is marked as 'Room completed (100%)'. A list of tasks is shown, all of which are completed (indicated by green checkmarks):

- Task 1: What is Networking?
- Task 2: What is the Internet?
- Task 3: Identifying Devices on a Network
- Task 4: Ping (ICMP)
- Task 5: Continue Your Learning: Intro to LAN

Below the task list, there is a section for feedback: 'How likely are you to recommend this room to others?'. It features a rating scale from 1 to 10, with a 'Submit now' button.
