Kelas : TI 3A

1. Login ke TryHackMe

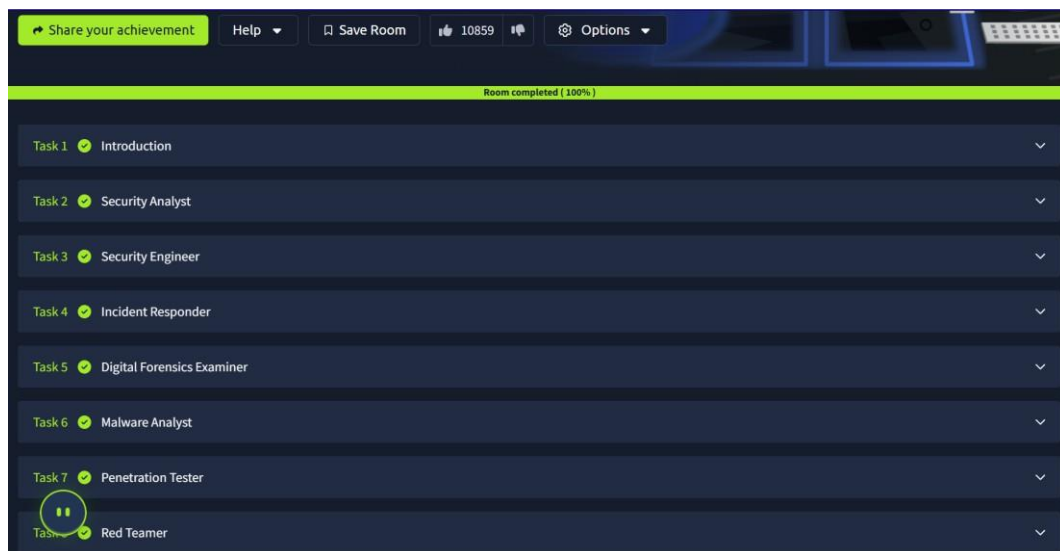

2. Memilih menu new Roadmap, dan masuk ke salah satu materi

3. Masuk ke materi Careers in Cyber

4. Membaca semua materi dan mengerjakan kuis

5. Masuk ke materi Security Principals

The screenshot shows the 'Security Principles' room page on TryHackMe. The header includes the TryHackMe logo, navigation links (Dashboard, Learn, Compete, Other), a search icon, a 'Go Premium' button, and a user profile icon. The main content area features a large green padlock icon, the title 'Security Principles', and a description: 'Learn about the security triad and common security models and principles.' It also indicates the room is 'Easy' and takes '90 min'. Below this are buttons for 'Help', 'Save Room', and a thumbs-up icon with the count '2846'. A progress bar shows 'Room progress (0%)'. A message box states: 'To access material, start machines and answer questions you need to join this room!' with a 'Join Room' button. The 'Task 1' section is titled 'Introduction' and contains the text: 'Security has become a buzzword; every company wants to claim its product or service is secure. But is it?'

6. Membaca semua materi dan mengerjakan kuis

The screenshot shows the 'Security Principles' room progress page on TryHackMe. The header indicates 'Room completed (100%)'. The main content area lists nine tasks, each with a green checkmark icon and a dropdown arrow. The tasks are: Task 1 Introduction, Task 2 CIA, Task 3 DAD, Task 4 Fundamental Concepts of Security Models, Task 5 Defence-in-Depth, Task 6 ISO/IEC 19249, Task 7 Zero Trust versus Trust but Verify, Task 8 Threat versus Risk, and Task 9 Conclusion.

7. Masuk ke materi Governance & regulation

The screenshot shows the TryHackMe interface for the 'Governance & Regulation' room. The top navigation bar includes 'Dashboard', 'Learn', 'Compete', and 'Other'. The room title 'Governance & Regulation' is prominently displayed, along with a description: 'Explore policies and frameworks vital for regulating cyber security in an organisation.' Below the title, it indicates the room is 'Easy' and takes '120 min'. There are buttons for 'Help', 'Save Room', and a '1738' likes count. A 'Room progress (0%)' bar is visible. A message states: 'To access material, start machines and answer questions you need to join this room!' with a 'Join Room' button. The 'Task 1 Introduction' section is partially visible, starting with the text: 'Cyber security is a rapidly evolving landscape wherein malicious actors relentlessly endeavour to exploit vulnerabilities in highly-sensitive systems, often with the intent of causing severe damage, disruption, and stealing of sensitive corporate data. To combat this evolving threat, a comprehensive approach to information security governance &'

8. Membaca semua materi dan mengerjakan kuis

The screenshot shows the 'Room completed (100%)' status at the top. A list of tasks is displayed, each marked as completed with a green checkmark:

- Task 1 Introduction
- Task 2 Why is it important?
- Task 3 Information Security Frameworks
- Task 4 Governance Risk and Compliance (GRC)
- Task 5 Privacy and Data Protection
- Task 6 NIST Special Publications
- Task 7 Information Security Management and Compliance
- Task 8 Conclusion

At the bottom, there is a question: 'How likely are you to recommend this room to others?'.

9. Masuk ke menu Cyber Kill Chain

The screenshot shows the TryHackMe interface for the 'Cyber Kill Chain' room. The top navigation bar includes 'Dashboard', 'Learn', 'Compete', and 'Other'. The room title 'Cyber Kill Chain' is prominently displayed, along with a description: 'The Cyber Kill Chain framework is designed for identification and prevention of the network intrusions. You will learn what the adversaries need to do in order to achieve their goals.' Below the title, it indicates the room is 'Easy' and takes '45 min'. A progress bar shows 'Room progress (0%)'. The task list includes: Task 1 Introduction, Task 2 Reconnaissance, and Task 3 Weaponization. The interface also features a 'Go Premium' button, a user profile icon, and a 'Save Room' button.

10. Membaca materi dan menyelesaikan kuis

This screenshot shows the same 'Cyber Kill Chain' room page, but with all tasks completed. The progress bar now indicates 'Room completed (100%)'. The task list is expanded to show 10 tasks, all marked with a green checkmark: Task 1 Introduction, Task 2 Reconnaissance, Task 3 Weaponization, Task 4 Delivery, Task 5 Exploitation, Task 6 Installation, Task 7 Command & Control, Task 8 Actions on Objectives (Exfiltration), Task 9 Practice Analysis, and Task 10 Conclusion. The 'Practice Analysis' task has a small green icon next to it, indicating it is a quiz.

11. Menyelesaikan roadmap
